

Interscholastic League Affiliation Public Forum

Honeoye Falls – Lima
School District

June 11, 2008

Definition of Terms

- Contest types are defined by NYSPHAA as follows:
 - League – a group of schools, preferably of similar size and location, who join together for the purpose of administering athletic competition and other educational opportunities.
 - Non-League – Each team's season is a combination of league and non-league games. A maximum number of total contests that each team may compete in per season is established. This number varies by sport. The non-league portion of the schedule represents the number of contests scheduled against teams that are not members of the same league.
 - Sectional Classification – games or meets conducted at the conclusion of the regular season schedule for the purpose of determining sectional champions.

Schedules

- A team is allowed to play a maximum number of games per regular season (not including sectional games)
- League contests + non-league contests = regular season schedule
- We are reviewing changing the league portion of our schedule. Our non-leagues and sectional opponents will remain the same.

Current Affiliation

- HF-L is currently a member of the Livingston County League, and an Associate Member of the Monroe County League. Due to a lack of sponsorship in the Livingston County League, the following teams compete in the Monroe County League:
 - Boys Lacrosse
 - Girls Lacrosse
 - Girls Tennis
 - Alpine Skiing
 - Nordic Skiing
 - All of our Modified A teams

Quick Facts about the Monroe County League

- The Monroe County League is divided into 3 divisions - the same as the Livingston County League.
- HF-L would be placed in Division 3 , the smallest of the divisions.

What schools would we compete against in the Monroe County league?

- Batavia
- Brighton
- Eastridge
- Pittsford – Sutherland
- Pittsford – Mendon
- Victor
- Greece Odyssey

** Cross-Country events are held with all Monroe County Teams, much like LCAA, but times are divided by divisions*

League Affiliation Data

Current Student Residency Data

- County residing in:
 - Monroe: 71%
 - Livingston 27%
 - Ontario: 2%

			* drive time only, this does not include event duration		

What benefits would our student athletes see by changing leagues?

- Compete against schools closer in size, location and sectional classification
- Changing leagues would reduce travel costs, and more importantly, the time associated with transporting student athletes to away games, leaving our students with more time to spend on academics and other interests they wish to pursue.

What benefits would our student athletes lose by changing leagues?

- Boys and Girls Soccer teams would play 16 games per season, two games less than the current season
- Modified sports seasons would be reduced from 4 to 3
- Male students who participate in both wrestling and basketball at the modified level would have to choose one or the other, because both are offered in the same season (currently there are no students affected by this)
- Cheerleading teams would not travel to away games
 - Monroe County League rule

Team by Team Glance

Football

HF-L (A)

- Current Opponents and Classification
 - Hornell-B
 - Livonia-B
 - Bath-B
 - Dansville-C
 - Wayland-Cohocton-B
- Non League
 - Newark-A
 - Brighton-A
- Monroe County Division 3 Opponents
 - Greece Arcadia-A
 - Greece Athena-A
 - East Irondequoit-A
 - Brighton-A
 - Victor-A
 - Batavia-B

Sectional Seedings

- 14 teams in Class A compete for 8 sectional spots
- Teams earn sectional points based on the following formula:
 - Earn 6 points by beating a team of higher classification
 - Earn 5 points by beating team of same classification
 - Earn 4 points by beating team of lower classification
 - Lose 4 points by losing to team of higher classification
 - Lose 5 points by losing to same class
 - Lose 6 points by losing to lower class

Example: A 3-4 record could earn the following points based on opponents:

- Livingston County: -12 points
 - Monroe County: 3 points
- It is possible that a team with less wins than us could earn a sectional spot based on the opponents it plays

Soccer

HF-L (A)

- Current Opponents and Classification

 - Greece Odyssey-B
 - Brighton-A
 - Victor-A
 - Batavia-A

Sectional Points

- In 2007, 12 out of 15 teams competing in Class A made sectionals
- Sectional seeding is based on points/number of games played
- Earn 6 points by beating team of larger class
- Earn 5 points by beating team of same class
- Earn 4 points by beating team from BB/B classification
- Earn 3 points by beating team from CC/C
- Earn 2 points by beating team from DD/D

Example:

- **Livingston County-Maximum points from league play: 40 points (10 games)**
- **Monroe County-maximum from league play: 54 points (12 games)**
- **An 8-8 record in Monroe County would earn 2.5 points**
 - ❖ **Less than 1 point separated top 4 teams in 2007**

Sectional Points – Boys Basketball

- Sectional seedings determined by total points earned/games played
- Earn 6 points by beating team of larger Class
- Earn 5 points by beating team of same class
- Earn 4 points by beating team from B classification
- Earn 3 points by beating team from C
- Earn 2 points by defeating team from D
- Lose 4 points by losing to team from larger classification
- Lose 5 points by losing to team from same
- Lose 6 points by losing to team from B Classification
- Lose 7 points by losing to team from C classification
- Lose 8 points by losing to team from D classification

Example: 14-6 record

- ❖ Livingston County: 20 points
- ❖ Monroe County: 60 points (could go 12-8 and receive 20 points)

Sectional Points – Girls Basketball

- Sectional seedings determined by total points earned/games played
- Earn 6 points by beating team of larger class
- Earn 5 points by beating team of same class
- Earn 4 points by beating team from lower class

Example:

- LCAA, 10 league wins (undefeated): 40 points
- Monroe County, 8 league wins: 40 points
- 10-0 LCAA League record, equivalent to 8-4 Monroe County League record

Girls Volleyball

HF-L (BB)

 - Fairport Invitational
- Monroe County Division 3 Opponents
 - Pittsford Mendon-A
 - Pittsford Sutherland-A
 - East Irondequoit-A
 - Brighton-A
 - Victor-A
 - Batavia-A

Sectionals

- Athletes qualify for sectional meet by meeting a qualifying standard.
- Entries are determined by an individual's best performance. There will be an automatic qualifying standard by classification (AA, A, B, C, D) for each event, and a provisional standard also.
- Anyone meeting the automatic standard will automatically make it into the sectional meets.
- If there are not enough entries to fill the heats/lanes, then anyone making the provisional standard can make it into the meets. Heats/lanes will be filled up to 2 times the number of lanes that the track being used has.

Baseball and Softball

How is feedback being obtained? What is the decision making process?

- A District-wide committee has been formed to review data. This committee consists of parents, Board of Education members, coaches, student-athletes and the Athletic Director.
- A student-athlete focus forum was held to share data and gather feedback.
- Varsity coaches were surveyed to gather input.
- A public forum will be held on 6/11/08 to share data and gather public feedback.
- The committee will review all feedback and data and develop a recommendation to be presented to the Board of Education on 6/24/08.
- The Board of Education will complete a first review of the recommendation on 6/24/08. Action will be taken at a subsequent Board meeting.
