

Program and Goals for 2019-2020

Please summarize your building's program goals and plans for the 2019-2020 school year.

The HF-L Interscholastic Program continues to see a high participation rate among students in grades 7-12. Our Unified Basketball Program has expanded to include teams at the elementary, middle, and high school levels and has been instrumental in providing opportunities for all students. In addition, our student run Youth Activation Committees, associated with Unified Sports, has worked to promote diversity and acceptance in our schools.

In addition to the success on the field, our student athletes continue to excel academically. The majority of our varsity teams are consistently recognized with the NYS Team Scholar Award. Several of our students have been recognized by the local media for their academic achievement.

During this school year we have implemented mindfulness training for athletes. This work is aligned with our districtwide commitment to mental health education and the NYS requirements for Mental Health Literacy Education in schools.

One of the hallmarks of our program and the HF-L culture is the high percentage of teacher coaches working with our athletes. We are concerned that this percentage is trending in the wrong direction. We are working with other schools and our league to develop strategies in the recruitment and retention of teacher coaches.

Using an outside evaluator, we completed our program evaluation. We were able to identify strengths and areas for growth. The goals below were identified from this work.

The following goals have been prioritized:

- Develop Coaches Advisory Council
- Extend Unified Opportunities for student athletes
- Connect with alumni

Outline

1. What are the points of pride you would like to share with the Board and Community?
 - Participation in athletic program remains both high and consistent despite declining enrollment.

Update on Program and Goals for the Current School Year (2018 - 2019)

Please review the program plans and goals for the current year. Are you on track? Are there any surprises? Did your goals change from last year's budget presentation? Please share how you will know if you complete your goals for this year, including data you presently have or expect to review.

- By August 2018, work with Monroe County League and HF-L Football Community to transition football program to a more competitive schedule.
 - We successfully met this goal. We formally requested and were granted relief from our Monroe County Football Schedule. We developed an independent football schedule that allowed us to have competitive games. Our team finished the season with a 7-2 record and advanced to the Section V Semifinals.
- By June 2018, complete Interscholastic Athletic Program Evaluation and prioritize goals to be implemented during 2018-19 Year.
 - We have successfully met this goal. The results of this evaluation are included in our 2019-20 Goals.

Review of Program Goals for the Previous School Year (2017-2018)

Please review the goals your building had in place for the 2017-2018 school year. Did you accomplish your goals? What data did you use? What did you learn? Are there other reflections from last year you would like to include?

- Improve customer service and access to athletic program by implementing online registration process.
 - We implemented a pilot run in the fall with the volleyball program to gather feedback prior to full implementation
 - Informational parent letter was sent district wide in preparation for implementation. It was also posted on the website
 - Athletic Department partnered with nurses for implementation in winter season- all levels
 - 352 athletes completed registration during winter season
- Implement an extramural opportunity for students in middle school to participate in Unified Basketball.
 - We successfully implemented a Modified Unified Basketball team.
